DETAILED ACTION

Response to Interview

1. The examiner would like to thank the applicant's representative for his patience in speaking with her and clarifying some issues in the telephone interview on Monday, June 30, 2003.

In the telephonic interview, the examiner explained to the applicant's representative that her Official Action dated 12/19/02 withdrew the finality of the Official Action dated 11/27/01 because the arguments presented in the Appeal Brief filed by the Applicant on 7/30/02 was supportive enough to warrant withdrawal of the rejection and presentation of a more defined rejection.

The examiner also expressed to the applicant's representative that there was confusion with the term "walkway pad" alone without there being any supportive structure recognized therewith. As such, a non-final rejection with only 35 U.S.C. 112 rejections will be noted, having no art applied, to give the applicant ample time to clarify the intentions of the claimed subject matter. The 35 U.S.C. rejections are as stated below.

Claim Rejections - 35 USC § 112

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Art Unit: 3635

3. Claims 1-33 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claims 1-33 define a method for applying or making a "walkway pad". However, the term "walkway pads" is a broad term and may encompass wide range of elements. Thus, this term renders the claim as being indefinite in that it is not exactly clear what structure the "walkway pad" includes. Further clarification is required.

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Yvonne M. Horton whose telephone number is (703) 308-1909.
